DIRECTIONS TO ABEJA

We are located in the scenic Mill Creek area of the Walla Walla Valley in the very southeast corner of Washington State. Our airport is served by Horizon Air, a partner of Northwest and Alaska Airlines.

From Spokane, Washington (181 miles, Approx. travel time is 3 hrs.)

- ♦ Take Hwy. 395 out of Spokane toward Seattle, Yakima, Tri-Cities.
- ♦ Stay on Hwy. 395 as it turns South toward the Tri-Cities (Pasco, Richland, Kennewick).
- ♦ Just before Pasco, Hwy 395 turns Southeast. Follow signs for Wallula, Walla Walla, Hwy. 730 and Hwy. 12.
- ♦ Travel approx. 12 miles. Just past Boise Cascade (on your right) cross one more bridge and bend left to a stop. Turn left onto Hwy 12 and travel 30 miles to Walla Walla.
- ♦ When you reach Walla Walla, travel to east side of the city and take the "Port of Walla Walla/Airport exit." It is the first exit past Wilbur Avenue.
- ♦ At the end of the off ramp, turn right onto "Airport Road."
- ♦ At the first signal turn left onto "Isaacs." From this intersection you will travel 2.8 miles to our driveway.
- ♦ Isaacs will become Mill Creek Road.
- ♦ At 2.4 miles you will come to a "Y." Five Mile Road travels right. Stay left continuing on Mill Creek Road.
- ♦ Our driveway will be on the right four tenths of a mile past the "Y." It is marked by a stone entrance and two lines of burgundy colored maple trees.
- ♦ Parking is on your right past the end of the stone wall.
- ♦ Guest check in for the Inn is at the office located on the west end of the Carriage Barn. This is the long barn with the open breezeway directly in front of you as you come in the driveway.
- ♦ Guests arriving for a scheduled winery visit may check in at the office or go directly to the smaller of the two barns to the right (west) of the office.
