DIRECTIONS TO ABEJA

We are located in the scenic Mill Creek area of the Walla Walla Valley in the very southeast corner of Washington State.

From Pasco, Washington Airport (49 miles; Approx. travel time is 1 hr.)

- ♦ Take "20th" south from the Pasco Airport.
- ♦ Go under the freeway and at the first traffic light, turn right onto "Highway 182 East."
- ♦ Stay on Highway 182 (which becomes Highway 12) for 18.5 miles.
- ♦ Just past Boise Cascade (on your right) cross one more bridge and bend left to a stop. Turn left onto "Highway 12" and travel 30 miles east to Walla Walla.
- ♦ When you reach Walla Walla, travel to east side of the city and take the "Port of Walla Walla/Airport exit." It is the first exit past Wilbur Avenue.
- ♦ At the end of the off ramp, turn right onto Airport Road.
- ♦ At the first signal turn left onto "Isaacs." From this intersection you will travel 2.8 miles to our driveway.
- ♦ Isaacs will become Mill Creek Road.
- ♦ At 2.4 miles you will come to a "Y." Five Mile Road travels right. Stay left continuing on Mill Creek Road.
- ♦ Our driveway will be on the right four tenths of a mile past the "Y." It is marked by a stone entrance and two lines of burgundy colored maple trees.
- ♦ Parking is on your right past the end of the stone wall.
- ♦ We will be out to greet you shortly, or you can proceed to the "Small Barn." The Small Barn is the building to the left of the larger winery barn that has a vine-covered pergola on its front.
