## DIRECTIONS TO ABEJA

We are located in the scenic Mill Creek area of the Walla Walla Valley in the very southeast corner of Washington State. Our airport is served by Horizon Air, a partner of Northwest and Alaska Airlines.

*From the Walla Walla Regional Airport: (5 miles; Approx. travel time 8 min.)*

- From the Walla Walla Regional Airport parking lot, turn right onto "Airport Way."
- Cross under the highway and at the first stoplight, turn left onto "Isaacs." From this intersection, you will travel 2.8 miles to our driveway.
- Isaacs will become Mill Creek Road.
- At 2.4 miles you will come to a "Y." Five Mile Road travels right. Stay left continuing on Mill Creek Road.
- Our driveway will be on the right four tenths of a mile past the "Y." It is marked by a stone entrance and two lines of burgundy colored maple trees.
- Parking is on your right past the end of the stone wall.
- We will be out to greet you shortly, or you can proceed to the "Small Barn." The Small Barn is the building to the left of the larger winery barn that has a vine-covered pergola on its front.
