The Inn at [Abeja](#) offers a variety of accommodations, including suites, rooms, and cottages on an expansive 38-acre historic farmstead next to the winery. The restaurant, The Kitchen at Abeja, reopened for its second season earlier this spring with new Executive Chef Jake Crenshaw, who has 16 years of experience working with Walla Walla Valley farmers and winemakers and other prestigious kitchens throughout the West Coast. Chef Crenshaw, working alongside Abeja's winemakers, artfully composes prix fixe menus focusing on local grains, produce, fresh meats, and seafood, which complement the wine selections.
