

ABEJA

2018 CABERNET SAUVIGNON HEATHER HILL WALLA WALLA VALLEY

94 POINTS – WINE SPECTATOR

“A compelling and nuanced red, with black cherry and blueberry flavors that take on savory mocha and black olive details on the way to refined tannins.”

94 POINTS – VINOUS

“The 100% varietal 2018 Cabernet Sauvignon Heather Hill is a killer effort by the Wampflers. Quite dark in the glass, it exudes class, presenting anise and black currant tones alongside tilled soil and suggestions of mocha on the nose. The palate is exceedingly well-balanced, offering salty undertones that combine with a brilliant core of dark fruits and chocolate and sagebrush undercurrents. Fantastic to savor even so young, this is a brilliant, age-worthy effort that will captivate the senses for many years to come. Enjoy over the next 15-plus years.”

93 POINTS – JAMES SUCKLING

“A dense nose of blackberry. Black currant, leather, coffee and chopped walnut. Full-bodied with fine tannins. Rich and lush on the palate, where there’s an abyss of black fruit. Very well balanced and polished...”

93 POINTS – WINE & SPIRITS

A luxurious wine, as decadent as dark chocolate, this leads with a scent of black olives, malt and coffee. Through it all some fruit emerges, dark and flavorful, with a hint of herb that lends complexity and layering. For flank steak.
