

ABEJA

2023 CHARDONNAY WASHINGTON STATE

93 POINTS - WINE ENTHUSIAST

“The bold Chardonnay’s aromas of lemon curd, honeycomb and cantaloupe fill a room faster than an open bar. It has enough zesty acidity to balance its plush Golden Delicious apple, nutmeg, toasted hazelnut and honey flavors. This wine is made with fruit from all over the state, proving the adage about a sum surpassing its parts.”

90 POINTS - DECANTER

“This Chardonnay comes from vineyards in both Walla Walla Valley and the Ancient Lakes AVA in the northern reaches of Washington’s wine country. Élevage is done in oak, steel and amphora. Bright aromatics of lemon verbena, white pepper, and dried white flowers lead to a palate of lemon candies, crushed slate minerality, and tart salted lemon wedge with a long, fresh finish.”

90 POINTS - JEB DUNNUCK

“The 2023 Chardonnay is full-bodied and fleshy, with moderate acidity and a long length and breadth of stone fruit and tropical richness. The oak is well-integrated and lightly spiced.”
